

# St John Fisher Catholic High School

## Newsletter 17 9 June 2017

Dear Parent / Carer

I hope that you all have had a good half term break. Students have returned to another busy week of examinations. They are going well and the students are showing a great deal of stamina to get through the vast number of assessments they have had to do.

Please continue to encourage and support them in their revision.

As you know, Mrs Langstaff has had the position of Acting Head of School while I have been Executive Headteacher at Easingwold School. They are close to appointing a substantive head at Easingwold so my time there will soon come to an end. I have mentioned before that St John Fisher, with St Aidan's are large Teaching Schools working across the region training teachers, providing professional development and supporting other schools. This means that I work as a National Leader of Education to help schools around the country. I will be taking a more substantial role in our teaching school and supporting others. As I leave Easingwold, I will be working one or two days a week at Graham School in Scarborough.

I have put a head of school in post at Graham and the St John Fisher Governors have asked Mrs Langstaff to continue as a substantive Head of School, and I will be working as Executive Head. This has been the arrangement for the last year and the school has continued to flourish. I am looking forward to continuing this working arrangement with Mrs Langstaff and the rest of the school team.

The next few weeks continue to be extremely busy. Please keep up to date by visiting our website. As always, thank you for your support.

Yours sincerely

A handwritten signature in black ink, appearing to read 'R A Pritchard'.

**Mr R A Pritchard**  
Headteacher

# St John Fisher Catholic High School

June 2017

Dear Parent/Carer

There are many pressures facing young people and our job as teachers, like you as parents, is to try and give them the tools to make the right choices in life both academically and personally.

As schools, we all try to do this in different ways whether through pastoral systems or PSHCE programmes. One issue that has become more prominent in recent years is that of drug use. Young people arguably have more access to illegal substances than in previous years and the advent of 'legal highs' has only complicated matters further.

As a group of schools within the Harrogate area, we want to ensure that our schools are safe places and at the same time support yourselves and our young people regarding this issue. Following an initial parental support session at St John Fisher Catholic High School in April, to further heighten awareness North Yorkshire Police would like to come into our Harrogate schools with a sniffer dog. All parents and students will be notified in advance of an initial visit.

Please be reassured however, that this in no way means that we are seeking to criminalise young people, but we are seeking to educate. We know that some young people may experiment and take risks, but we believe that this initiative can act as part of our ongoing support to guide them into making better choices for their lives beyond school.

Yours sincerely

Miss E Lambden  
Deputy Headteacher

## INFORMATION

### Dates for Your Diary

Please see below for forthcoming events; all other events are detailed on the school website.

<http://sjfchs.org.uk/>

### GCSE Examinations

With effect from Monday 29 May, there will be a designated email address for GCSE exam related queries: [exams@sjfchs.org.uk](mailto:exams@sjfchs.org.uk)

### Knarborough Bed Race – Saturday 10 June

"St. John Fisher School takes its Christian responsibility towards the wider community very seriously. The school has again entered a team of staff into Knarborough's world-famous Bed Race. 6 staff, Dan Owen, Nathan Bulcock, Racheal Thomas, Conor Donoghue, Paul Stansfield and Antony Hussey, with Head Girl Emily Pye on the bed will give their all on June 10th. Their cause is a noble one. Macmillan Nurses. Their very name speaks volumes. The SJF staff and our school family are major beneficiaries. Please give generously."

This is the link to the MYdonate page that has been set up.

<http://mydonate.bt.com/events/sjfchsbedrace2017/440856>

### Macmillan Fund Raising

Mrs Langstaff, Head of School at St John Fisher presents a cheque for £502 raised by the SJF knitters selling wooly Easter chicks. A brilliant start for our Bed Race Team. Michaela from Macmillan with Mrs Langstaff and Nicola Pollard (SJF Librarian).

### Exam Information for Y11 Students

Please click on the links below for up to date information regarding Y11 summer exams. Please ensure your child reads both of these items.

<http://sjfchs.org.uk/wp-content/uploads/2015/07/Notice-to-Year-11-Students-re-Summer-Exams.pdf>

<http://sjfchs.org.uk/wp-content/uploads/2015/08/GCSE-Examinations-Booklet-2017.pdf>

### Leavers (2016) Reunion Event/A Level Certificate Collection

The Leavers Reunion Event/A Level Certificate Collection will take place on Wednesday 28 June from 2-3:30pm in the Sixth Form Dining Room. We look forward to welcoming you back to the school.

### Y7 and Y8 Competition – Deadline 15 June

Calling all talented Year 7s and 8s! An exciting opportunity to put your creative skills to use and win £50 in Amazon vouchers in our inaugural KS3 inter-school writing/ art/ film/competition! Click on the link for more details:

<http://sjfchs.org.uk/y7-and-y8-competition-deadline-15-june/>

## Music Department

The Music Department have an exciting programme planned for the end of the academic year.

### Celebration 2017! - Thursday 29th June

A celebration concert for the departing Year 13 Musicians and an exciting end of year programme for all age groups. Tickets are priced £8 and £5 and are available from Harrogate Theatre box office on 01423 502116 or online at [www.harrogatetheatre.co.uk](http://www.harrogatetheatre.co.uk)

### Senior Musicians Trip to France - Saturday 1st of July

A group of senior musicians and accompanying staff leave for Luchon in the foothills of the French Pyrenees. Luchon is Harrogate's twin town and SJF recently shared a wonderful music evening with French students from Luchon. The programme will include five "gigs" and some sightseeing in the town and immediate vicinity. Luchon has a stunning geographical location, a spa town at the heart of the best known Tour de France climbs in the Pyrenees. Accommodation is very reasonable and currently flights from the U.K. to Toulouse are reasonable. It would be fantastic to have supporting friends and parents in Luchon at the time of our visit. If you require any further information please contact Mr Richards at the school on [drichards@sjfchs.org.uk](mailto:drichards@sjfchs.org.uk).

### KS3 Summer Musical - Aladdin – Tuesday 4 and Wednesday 5 July

Tickets are now available to all Year 7 and 8 parents via Parent Pay for our KS3 Musical, Aladdin. Tickets are priced at £7 for adults and £5 for concessions. The performance of Disney's Aladdin Jr features a cast of over 80 students and will be performed on Tuesday 4th and Wednesday 5th July at 7pm in the Main Hall. Seating is unreserved and there are no paper tickets, your Parent Pay receipt is proof of purchase.

If any parents would like to volunteer to help out with refreshments, the PTA would be grateful for some extra pairs of hands! Please contact Miss Booth, Head of Drama on [cbooth@sjfchs.org.uk](mailto:cbooth@sjfchs.org.uk) if you would like to help.

### National Festival of Youth - Thursday 6th July.

The SJF musicians in France will fly directly from Toulouse to Birmingham to participate in the National Festival of Music For Youth. This is a nationwide competition and the Concert Band has qualified for the Northern Regional Final.

### GCSE Exam Results – Thursday 24 August

These will be available for collection between 10am and 12 noon in the Main Hall.

### Sixth Form Business Enterprise Team

Congratulations to the Sixth Form Business Enterprise Team who won the North Yorkshire final on 10 May and are now through to the regional final for the whole of Yorkshire which will take place in Sheffield.

In addition to that, at the awards night Sally Lane, History Teacher at SJF who leads the Enterprise Team also won an award which was called "Give a teacher an apple" or words to that effect. She won this prize for her dedication to business enterprise and for her commitment to the teams over the years and for this team doing so well. It's great news for her and ends her career nicely.

## Year 10 Cambridge University Trip

In April, a group of twenty five Year 10 High Starters were invited to visit the University of Cambridge and to stay in Fitzwilliam College. We received a fantastic welcome and were very well looked after with great accommodation and lots of excellent food! The students learnt a great deal about the application process and were given a tour of Fitzwilliam and our link college St Catharine's. We enjoyed an entertaining lecture on veterinary science and even managed to squeeze in a guided punt on the river Cam where we learnt all about the history of the university. The students were very positive about the whole experience and only sorry that they could not stay for longer.

## Maths Challenge

The UK Mathematics Trust (UKMT) is a registered charity whose aim is to advance the education of children and young people in mathematics. The UKMT organises national mathematics competitions and other mathematical enrichment activities for 11-18 year old UK school students. Students have 60 minutes to answer 25 varied multiple-choice mathematical problems. Over 200,000 students from around the UK entered the Challenge with the top 6% receiving a gold award, the next 13% receiving silver, and the next 21% bronze.

## Intermediate Maths Challenge

Last term some of our Y9, Y10 and Y11 students took part in the Intermediate Maths Challenge and they performed extremely well. Our students managed to achieve 4 gold awards, 27 silver awards and 26 bronze awards.

**\*Best in Year**

**^Best in School**

Year 9	Year 10	Year 11
Joseph Widdows*	Findlay Akers*	Matthew Horsfall*^

	Jack Newton
	Findlay Waudby

## Follow-on Rounds

Every year several thousand students sitting the Intermediate and Junior Maths Challenges are invited to sit the Intermediate or Junior Kangaroo papers. This year Joseph Widdows (Y9) and Malachy Stockdale (Y7) have been invited.

Congratulations to everyone who achieved an award and those who qualified for the follow-up paper.

St. John Fisher Catholic  
High School presents

# CELEBRATION!

## 2017

Thursday 29th June  
Harrogate Theatre  
7:30 P.M

Our Senior Concert celebrating the  
achievements of all students and an  
opportunity to hear performances from  
our departing Year 13 musicians

For ticket sales, please call 01423 502116 or visit  
[www.harrogatetheatre.co.uk](http://www.harrogatetheatre.co.uk)

## Sports Results

### Tennis - Road to Wimbledon (Y7-Y9 Boys)

Congratulations to Jack Newton who won this competition in very hot conditions, well done to Tom Barlow for reaching the final.

#### Round 1 Winners

Ben Jackson, Pierce Charlesworth, Max Svenson, Jack Newton, Jack Browne, Tom Barlow, Gabriel Mead and Sammy Kelly

#### Losers

Xander Vladislavich Sam Luke, Theo Kelly, Jude Sheridan Hawley, Charlie Lockett, Lewis Pedro, James Dempsey and Dylan Windspear

#### Round 2 Matches

Ben Jackson beat Pierce Charlesworth  
Jack Newton beat Max Svenson  
Tom Barlow beat Jack Browne  
Sammy Kelly beat Gabriel Mead

#### Semi-Finals

Jack Newton beat Ben Jackson  
Tom Barlow beat Sammy Kelly

#### Final

Jack Newton beat Tom Barlow 6-3

Other matches resulted in the following way

Play Offs

3/4<sup>th</sup> - Sammy Kelly beat Ben Jackson  
5/6<sup>th</sup> - Max Svenson beat Jack Browne  
7/8<sup>th</sup> - Gabriel Mead beat Pierce Charlesworth  
9/10<sup>th</sup> - Jude Sheridan-Hawley beat Charlie Lockett  
11/12<sup>th</sup> - James Dempsey beat Sam Luke  
13/14<sup>th</sup> - Lewis Pedro beat Theo Kelly  
15/16<sup>th</sup> - Dylan Windspear beat Xander Vladislavich

So Jack Newton qualifies for the next round, and Tom Barlow is the reserve.  
As Jack is in Y8 and Tom in Y7, this is a very encouraging sign for following years.  
Max Mills

### Y7 and Y8 Girls' Rounders Teams Results

Despite the torrential rain on Monday evening, St John Fisher Year 7 and Year 8 Rounders Teams put on a fantastic display to beat Rossett High School.

Both schools showcased their enthusiasm, teamwork and resilience to ensure the weather didn't spoil a brilliant game of rounders. Well done everyone!

Year 7 : SJF 15 V 10 Rossett

Year 8: SJF 10 V 4 Rossett

## Sports Fixtures

### Monday 12 June

ESAA Regional B Athletics Finals @ Middlesborough, 09:00-17:00

Y9 & Y10 A/B Girls Rounders v Ripon GS, @ Ripon, 15:50-17:30

### Tuesday 13 June

ESAA Regional A Athletics Finals, Costello Stadium, Hull, 08:00-17:30

Y7 Tennis Tournament @ Ashville College, 16:00-17:30

### Wednesday 14 June

Y7-Y10 Boys 7 Girls Athletics Competition (Reserve Date) @ HGS, 16:00-17:30

### Thursday 15 June

Y8 & Y10 Boys Tennis v Harrogate GS @ HGS, 14:30-16:30

Y10 Boys Cricket v Ripon GS @RGS, 14:00-18:00

Y9 Boys Tennis Tournament @ Ashville, 16:00-17:30

### Monday 19 June

Y7/Y8 A & B Girls Rounders v Ripon GS @ Ripon GS, 14:40-18:00

### Thursday 22 June

Y10B Boys Tennis @ Ashville, 16:00-17:30

Y8B Boys Tennis Tournament @ Ashville, 16:00-17:30

### PE Extra Curricular Timetable

Please see below for the summer PE Extra Curricular Timetable (April to July) and Girls' Rounders Fixtures.

## News from the Science Desk – June 2017

The most beautiful thing we can experience is the mysterious.  
It is the source of all true art and science.

Albert Einstein

### Year 7

Have you booked your place?! A Yorkshire Wildlife Park visit confirmed for Tuesday 18<sup>th</sup> July. £18.00 and appears on parentpay.

There will be an end of Year test during the week commencing 26 June, specific topic details will be released to pupils within the next week. This will help us divide the year in to new, mixed sets, which are not streamed, but will give pupils the opportunity of working with those from other forms.

### Year 8

There will be an end of Year test w/c 19 June, to avoid issues around/after Ford Castle trip, specific topic details and dates have been issued to pupils to help them prepare. This will help us divide the year in to new, streamed sets on each side of the year. We continually assess setting across Year 9 and are happy for movement between groups, where evidence shows this is necessary. Generally, the two top groups in each side of the year will supply the majority of those who go on to pursue Separate Sciences.

### Revision Material for Year 7 and 8

Collins KS3 Revision Science ISBN 978-0-00-756282-4

CGP Key Stage Three Science - The Workbook ISBN 978-1-84146-239-4

The two books above can be obtained for a combined price of £7.50 from the Science prep room, and will allow pupils to consolidate their understanding in addition to the support material and worksheets for the whole key stage in the KS3 area of the VLE. We have now put these on parent pay also, should you choose this option, please print out the relevant screen and send in with your son/daughter to collect the books.

The VLE does NOT require a log in, please follow the links that are open to all members of the public from the school website.

### Year 9

**Revision Guides and Workbook together for Combined Science (£10), and Revision Guide and Workbook for each of Biology, Chemistry and Physics (£4 each) are now available. If you are unsure as to which is the most suitable then the class teacher will be able to advice accordingly. To avoid pupils picking up the incorrect books these have not as yet been available via Parent pay but at the time of writing I am reviewing this).**

End of Year Test dates are as follows:

Monday 19th June Biology

Tuesday 20th June Chemistry

Wednesday 21st June Physics

Specific topic details have been issued to the pupils. Each test has been written to last approximately 45 minutes, to provide the extra time that some pupils require. The results of these tests will help us divide the year in to new, streamed sets for the beginning of Y10.

This will give us an indication of those who should pursue separate science and those for whom combined science is more appropriate and set for Y10 accordingly.

However we will test pupils in Y10, around Christmas, and again at this current time of year and will make set changes where evidence supports this.

### **Year 10**

Year 10 have now received their mock grades. Grades achieved in the mocks, in most cases are unlikely to match that of pupils' end of key stage target and should be taken as the growth, progress and effort that they will need to put in between now and next summer. We are aware that some pupils fail to treat 'mock' examinations with the dedication that we all hope they will approach their GCSEs next year.

**We have identified suitable revision guides and work books for the new curriculum. We will carry a rolling stock of books that are suitable for Revision Guide and Workbook together for Combined Science (£10), and Revision Guide and Workbook for each of Biology, Chemistry and Physics (£4 each). If you are unsure as to which is the most suitable then the class teacher will be able to advise accordingly.**

Pupils will continue to have access to Kerboodle which will provide on-line text books supporting the new specification together with a suite of further resources which are very useful if accessed. Please contact me if there are any issues regarding logging on.

### **Year 11**

#### **Continue to REVISE!!**

We are now entering the closing stages of GCSE. All pupils will have now completed the course content, or be in the final phases, such that they can now **REVISE**.

- **REVISE using the appropriate revision guides from the Science prep room at £2.50 per book, and can ask their classroom teacher as to which would be the most appropriate to obtain.**
- **Should pupils wish to REVISE using hard copies of the existing specification text books we have a limited supply of these that we can supply for £10 for all three books, on a first come first served basis.**
- **REVISE using past papers available on our VLE, or from the AQA website.**
- **REVISE using Kerboodle.**
- **REVISE using Getrevising.co.uk**
- **REVISE by coming to the sessions at lunchtime and after school.**
- **REVISE by coming to the sessions that will be offered prior to each examination**

#### **Library**

Please be aware that as well as current text books and reference books, that the library also carries the following publications for those that may wish to read around science based topics. These include:

New Scientist  
Biological Sciences Review  
Chemistry Review  
Physics Review  
Studentbmj

Please visit the library and utilise these fantastic informative publications.

#### **Events**

Free Nuclear Masterclass for Year 12 Students - 22nd June 2017

We are hoping to take the Microbiology Club to a STEM conference on the 29<sup>th</sup> June, and will inform the individuals once this has been agreed.

We will be joining the Department of Physics at the University of York for a Nuclear Masterclass. This one-day programme will give year 12 students the opportunity to find out more about cutting-edge research in Nuclear Physics and applications of nuclear technologies.

#### Rosetta Mission

We will be taking a group of High Starters to meet Matt Taylor, ESA Project Scientist for the Rosetta Mission. He is in the UK for a few days and has agreed to talk about the Rosetta Mission.

**Watch this space for more information of upcoming events in Science.**

**Mr Tanner-Smith**

**Head of Science**

[rtanner-smith@sifchs.org.uk](mailto:rtanner-smith@sifchs.org.uk)

#### **Which subjects can give me the most options at University?**

Many courses at university level build on knowledge and skills which you will gain while still at school.

Where this is the case, universities need to make sure that all the students they admit have prepared themselves in the best way to cope with their chosen course. For this reason, some university courses may require you to have studied a specific subject prior to entry, others may not. However, there are some subjects that are required more often than others. These subjects are sometimes referred to as facilitating subjects.

Subjects that can be viewed as facilitating subjects are:

- Mathematics and Further Mathematics
- English Literature
- Physics
- Biology
- Chemistry
- Geography
- History
- Languages (Classical and Modern)

**You don't necessarily need to have studied three facilitating subjects at A-level. Some courses require one or two facilitating subjects, whilst for other courses there are no specific subject requirements.**

**If you don't know what you want to study then it's a really good rule of thumb that taking two facilitating subjects will keep a wide range of degree courses open to you.**

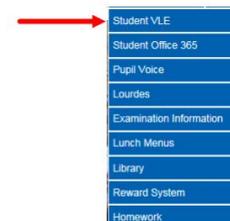

## VLE

On the KS3 area of the VLE are support materials, the first of the support materials is an interactive booklet and requires students to log on using their school log on, and a password of 'password' until changed, the second of which provides summary/revision sheets for the appropriate topics.

1. Click on either of these two tabs on the school website.

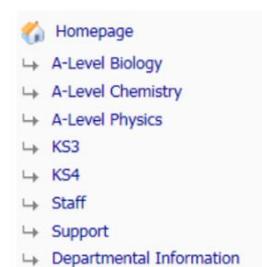

2. Scroll down and click on Student VLE:

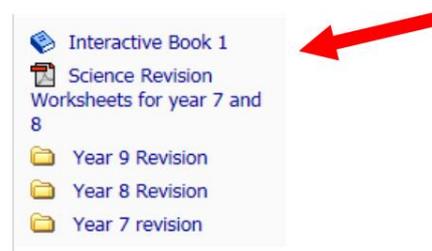

3. Scroll down to Science

4. Click on the subject area that you would like to explore.

5. The KS3 area has two large resources supporting the whole of Y7 and Y8.

The interactive book requires a log in which is the same as students' email address (Year of start at SJF, first 5 surname letters, initial – e.g. 09TanneR), with password set as password until changed. There have been some technical issues with some PC software issues for this resource, so if there are any problems do use the 2<sup>nd</sup> resource.

The Science revision sheets **do not** require a login, and can be printed out, with the answers at the end of the resource.

6.The GCSE area is now divided in to:

[Dual Science](#)

[GCSE Physics](#)

[GCSE Biology](#)

[GCSE Chemistry](#)

[GCSE Astronomy](#)

[ISA](#)

7.From here you can access the material relevant to the area of study, as well as the link to Kerboodle (for Y9, Y10 and Y11)

To log on:

**Username:** Initial followed by surname (e.g. rtannersmith)

**Password:** Initial followed by surname again (you will be prompted to change this once logged on).

**Centre no:** qjq1 (QJQ1 –in lower case)

### **Revision Apps**

In this day of portable devices, you may like to explore the following revision applications:

Test and Learn Science GCSE AQA.

AQA Core Science GCSE textbook.

### **Getrevising.co.uk**

Make an exam revision timetable

Install exam dates

Exam board, unit and topics

How many hours wanting to be dedicated

Links to exam board specific revision materials such as flash cards and mind maps.

We have had very positive responses from those pupils and parents who have utilised this resource thus far.
