## Newsletter 18 23 June 2017

Dear Parent / Carer

### Feast Day Mass

This morning we are celebrating a whole school mass. This is our feast day mass where we come together in the sports hall to celebrate and pray together. We will be saying goodbye this term to some members of staff who are moving on and retiring. It is an excellent occasion to mark their contribution to the school.

GCSE exams are nearly over. A reminder that results will be published on the following dates.

Provisional arrangements are:

- A Levels Thursday 17 August from 9.30am at Constance Green (any Year 12 results from 10.30am)
- GCSE Thursday 24 August from 9.30am until 11-30am in the main hall

Please remember that examinations have changed this year.

In a review of policy, the Department for Education announced that the GCSE grade 4 will be reported as a “standard pass”. This contrasts with its earlier position where the grade 5 was identified as the headline performance table measure for 2017 and 2018.

However, the grade 5 will also be reported, but as a “strong pass”.

Under the new grading system, a grade 4 and above will be equivalent to the current C and above. This is – and will remain – the level that pupils must achieve in order not to be required to continue studying English and Maths post 16.

### School Trips

Trips, residential events, visits and pilgrimage ‘season’ is upon us. These are excellent opportunities for our students. These visits rely on the good will of staff to give up their time to travel all over the world. If you have a child on these trips, I hope that they will find them enjoyable and informative. If you could also remind them that they are representing the school and their families and we do expect excellent behaviour and conduct wherever we go.

Yours sincerely

**Mr R A Pritchard**  
Headteacher

## INFORMATION

### Dates for Your Diary

Please see below for forthcoming events; all other events are detailed on the school website.

<http://sjfchs.org.uk/>

### GCSE Post Results Services - Year 11

Please be advised that if any students would like to request an Enquiry about Result (EAR) or Access to Script (ATS) following their GCSE results, the request form can be found on the school website under the curriculum tab. See link below.

<http://sjfchs.org.uk/curriculum/examination-arrangements/>

All requests must be emailed to [exams@sjfchs.org.uk](mailto:exams@sjfchs.org.uk) and all fees should be paid by Parent Pay at the time of the request. If you are unable to access Parent Pay, please email [finance@sjfchs.org.uk](mailto:finance@sjfchs.org.uk) as soon as possible to have this set up. Please note requests will not be processed if payment is not received.

Any queries, please contact Mrs Haley, Exams Officer.

### Knarborough Bed Race – Saturday 10 June

Congratulations to the SJF staff bed race team who came 11 out of 90 at the annual Knarborough Bed Race. A huge thank you to all who participated, helped and donated over £1,137.50 to this worthy cause.

### Leavers (2016) Reunion Event/A Level Certificate Collection

The Leavers Reunion Event/A Level Certificate Collection will take place on Wednesday 28 June from 2-3:30pm in the Sixth Form Dining Room. We look forward to welcoming you back to the school.

### Celebration 2017! - Thursday 29th June

A celebration concert for the departing Year 13 Musicians and an exciting end of year programme for all age groups. Tickets are priced £8 and £5 and are available from Harrogate Theatre box office on 01423 502116 or online at [www.harrogatetheatre.co.uk](http://www.harrogatetheatre.co.uk)

### Senior Musicians Trip to France - Saturday 1st of July

A group of senior musicians and accompanying staff leave for Luchon in the foothills of the French Pyrenees. Luchon is Harrogate's twin town and SJF recently shared a wonderful music evening with French students from Luchon. The programme will include five "gigs" and some sightseeing in the town and immediate vicinity. Luchon has a stunning geographical location, a spa town at the heart of the best known Tour de France climbs in the Pyrenees. Accommodation is very reasonable and currently flights from the U.K. to Toulouse are reasonable. It would be fantastic to have supporting friends and parents in Luchon at the time of our visit. If you require any further information please contact Mr Richards at the school on [drichards@sjfchs.org.uk](mailto:drichards@sjfchs.org.uk).

### KS3 Summer Musical - Aladdin – Tuesday 4 and Wednesday 5 July

Tickets are now available to all Year 7 and 8 parents via Parent Pay for our KS3 Musical, Aladdin. Tickets are priced at £7 for adults and £5 for concessions. The performance of Disney's Aladdin Jr features a cast of over 80 students and will be performed on Tuesday 4th and Wednesday 5th July at 7pm in the Main Hall. Seating is unreserved and there are no paper tickets, your Parent Pay receipt is proof of purchase.

If any parents would like to volunteer to help out with refreshments, the PTA would be grateful for some extra pairs of hands! Please contact Miss Booth, Head of Drama on [cbooth@sjfchs.org.uk](mailto:cbooth@sjfchs.org.uk) if you would like to help.

### National Festival of Youth - Thursday 6th July.

The SJF musicians in France will fly directly from Toulouse to Birmingham to participate in the National Festival of Music For Youth. This is a nationwide competition and the Concert Band has qualified for the Northern Regional Final.

### Children's Book Award Portfolio

Students from a Year 8 English class have contributed to an author portfolio for a shortlisted picture book in the national Children's Book Award 2017. Having examined critically 'Grandad's Island' the students were encouraged to create island maps or write a letter from one character to another. Their work was selected by Harrogate Children's Book Group to be included in the portfolio that was then presented to author Benji Davies at the Awards ceremony in London. The portfolio included contributions from Children's Book Groups around the UK.

Congratulations to former Y13 student, Joanna Stephenson, who is to play Iris in this year's Stage Experience Fame The Musical at York Grand Opera House in August.

## Sports Results

### Athletic Teams Recent Successes

Our Junior Girls (Year 7 and 8), Junior Boys (Year 7 and 8) and Inter Boys (Year 9 and 10) all competed in North Eastern Regionals Finals. The Junior Girls finished in 3rd at the Regional B finals, and the Inter Boys and Junior finished in 5th and 1st place respectively at the Regional A Finals.

The Junior Boys have once again qualified for the National Finals to be held at Horspath Stadium, Oxfordshire on Saturday 1st July 2017. This is fantastic achievement and places the school in the top 12 schools in England.

Please congratulate all the athletes on their individual and team successes.

### Tennis Results

#### Fishers Teams v Harrogate Grammar School on Thursday 8 June

##### Y9 and Y10

They were beaten by 12-1 in their match against a strong side.

Matthew Lynch No. 1, Ben Jackson No. 3 and Sammy Kelly at No. 4 were all beaten comfortably, and Matthew Ball at No. 2 went down 3-6.

Matthew and Matthew lost a close doubles match 5-7, and Ben and Sammy lost the other doubles.

So a 12-1 win for HGS.

##### Y7 and Y8

This team won a thrilling match by 8-5, all playing well in singles and doubles.

Jack Newton No. 1 winning 6-2

Tom Barlow No. 2 going down 3-6

Lewis Pedro No. 3 winning 6-4

Gabriel Mead No. 4 winning 7-6 in a really close tie break

Jack and Tom went down 4-6 in the doubles, but Lewis and Gabriel won their doubles 6-3.

So Fishers winning 8-5

#### Ashville Cup Competition (Tuesday 13 June & Thursday 15 June)

##### U12 Boys

1<sup>st</sup> Pair Tom Barlow and Gabriel Mead

2<sup>nd</sup> Pair Jude Sheridan-Hawley and Charlie Lockett

##### V Ripon Grammar School 3-5

1<sup>st</sup> Pair 1-3, 2<sup>nd</sup> Pair 2-2

##### V Ashville College 7-1

1<sup>st</sup> Pair 3-1, 2<sup>nd</sup> Pair 4-0

##### V King James 9-2

1<sup>st</sup> Pair 5-0, 2<sup>nd</sup> Pair 4-2

##### V Harrogate Grammar School 3-7

1<sup>st</sup> Pair 1-4, 2<sup>nd</sup> Pair 2-3

**Result 1 HGS 2 RGS 3 St J F 4 Ashville 5 King James**

##### U14 Boys

1<sup>st</sup> Pair Ben Jackson and Sammy Kelly

2<sup>nd</sup> Pair Max Svenson and Jack Browne

##### V Ashville College 2-6

1<sup>st</sup> Pair 2-2, 2<sup>nd</sup> Pair 0-4

##### V Harrogate Grammar School 5-5

1<sup>st</sup> Pair 0-5, 2<sup>nd</sup> Pair 5-0

##### V Rossett High School 3-7

1<sup>st</sup> Pair 1-4, 2<sup>nd</sup> Pair 2-3

V Ripon Grammar School 5-6

1<sup>st</sup> Pair 2-4, 2<sup>nd</sup> Pair 3-2

**No results yet----St JF probably 5<sup>th</sup>**

### **U13 Boys**

1 v 1 Nathan Little lost to Jack Newton - 4-6  
2 v 2 Dan Corbett lost to Tom Barlow - 3-6  
3 v 3 Felix Lewis lost to Lewis Pedro - 3-6  
4 v 4 Owen Taylor lost to Gabriel Mead - 3-6  
Nathan and Dan lost to Jack and Tom - 3-6  
Felix and Owen lost to Lewis and Gabriel 0-6

Fishers 12 King James 0

### **U15 Boys**

1 v 1 Max Bachellerie lost to Matthew Lynch - 3-6  
2 v 2 Oli Kent lost to Ben Jackson - 1-6  
3 v 3 Jo Simpson lost to Pierce Charlesworth - 3-6  
4 v 4 Jo Kessell won No Player - 6-0  
Max and Oli beat Matthew and Ben - 6-3  
Jo and Jo W/O No 2<sup>nd</sup> Pair - 6-0

This finished 3-3 so played a Tie Break to complete

Unfortunately, Jo and Jo had gone home, leaving only Max and Oli.

New rules said that they could not play in the Tie Break together. So decided to go ahead with Max and Oli, but to let Fishers 1 and 2, Matthew and Ben play against them.

Matthew and Ben won 10-7

So unless we have broken all the rules the score is 7-6 to Fishers, but as neither team will go through, then it should not matter.

### **Area Champions - Girls Rounders**

St John Fisher were crowned Area Champions at the Harrogate and District Rounders Finals on Thursday 15th June.

They will now represent Harrogate and District in the North Yorkshire Rounders Finals on Sunday 9th July, at St Margaret's School, Escrick.

We are extremely proud of all the students who took part and we wish them every success in the North Yorkshire Finals. Congratulations on a fantastic achievement.

### **Table Tennis**

Harrogate Table Tennis Association had their Presentation Evening on Monday 19 June and the Fishers teams and players won almost 30 of the Trophies. A great evening and well done to all our players with promising Y7 boys coming through for next season.

The major winners were: -

## News from the Science Desk – June 2017

The important thing in science is not so much to obtain new facts as to discover new ways of thinking about them.

Sir Lawrence Bragg

### Year 7

Yorkshire Wildlife Park, have you booked your place?  
Tuesday 18<sup>th</sup> July. £18.00 and appears on Parentpay.

There will be an end of Year test on 29 and 30 June, depending on which side of the year pupils are. Specific topic details will be released to pupils. This will help us divide the year in to new, mixed sets, which are not streamed, but will give pupils the opportunity of working with those from other forms.

### Year 8

Please accept my apologies, as per my email, of the need to bring the year eight test forwards by 24 and 48 hours, due to the St John Fisher Feast Day mass. The results of this test will help us divide the year in to new, streamed sets on each side of the year. We continually assess setting across Year 9 and are happy for movement between groups, where evidence shows this is necessary. Generally, the two top groups in each side of the year will supply the majority of those who go on to pursue Separate Sciences.

### Revision Material for Year 7 and 8

Collins KS3 Revision Science ISBN 978-0-00-756282-4

CGP Key Stage Three Science - The Workbook ISBN 978-1-84146-239-4

The two books above can be obtained for a combined price of £7.50 from the Science prep room.

### Year 9

Year 9 have now completed their tests in Biology, Chemistry and Physics. We will Hoover up any stragglers over the next few days. We will have marked these in time for it to be reflected in pupils' end of year grade and progress

The results of these tests will help us divide the year in to new, initial streamed sets for the beginning of Y10. This will give us an indication of those who should pursue separate science and those for whom combined science is more appropriate and set for Y10 accordingly.

However, we will test pupils in Y10, around Christmas, and again at this current time of year and will make set changes where evidence supports this.

### Year 10

Year 10 have now received their mock grades. Grades achieved in the mocks, in most cases are unlikely to match that of pupils' end of key stage target and should be taken as the growth, progress and effort that they will need to put in between now and next summer. We are aware that some pupils fail to treat 'mock' examinations with the dedication that we all hope they will approach their GCSEs next year.

**We have identified suitable revision guides and work books for the new curriculum. We will carry a rolling stock of books that are suitable for Revision Guide and Workbook together for Combined Science (£10), and Revision Guide and Workbook for each of Biology, Chemistry and Physics (£4 each). If you are unsure as to which is the most suitable then the class teacher will be able to advice accordingly.**

Pupils will continue to have access to Kerboodle which will provide on-line text books supporting the new specification together with a suite of further resources which are very useful if accessed. Please contact me if there are any issues regarding logging on.

## Year 11

Year 11 have now finished their GCSEs, Congratulations on getting through them. I am sure that all pupils will gain the grade that their hard work deserves. We look forward to seeing most of you around school and some of you in Biology, Chemistry, Physics and Health and Social Care next year. Have a fabulous, relaxing and productive/remunerative summer.

## Library

Please be aware that as well as current text books and reference books, that the library also carries the following publications for those that may wish to read around science based topics. These include:

New Scientist  
Biological Sciences Review  
Chemistry Review  
Physics Review  
Studentbmj

Please visit the library and utilise these fantastic informative publications.

## Events

We are taking the Microbiology Club to a STEM conference on the 29<sup>th</sup> June which we hope will give this group of talented scientists further insight in to the wider applications of Science, Technology, Engineering and Mathematics.

Free Nuclear Masterclass for Year 12 Students. 22nd June 2017. We will be Joining the Department of Physics at the University of York for a Nuclear Masterclass. This one-day programme will give year 12 students the opportunity to find out more about cutting-edge research in Nuclear Physics and applications of nuclear technologies.

We have also arranged for the Year 12 Chemistry students taught at SJF to have a team from Bradford University come in and deliver a workshop on Tuesday 4th July periods 4 and 5.

**Watch this space for more information of upcoming events in Science.**

## Which subjects can give me the most options at University?

Many courses at university level build on knowledge and skills which you will gain while still at school.

Where this is the case, universities need to make sure that all the students they admit have prepared themselves in the best way to cope with their chosen course. For this reason, some university courses may require you to have studied a specific subject prior to entry, others may not. However, there are some subjects that are required more often than others. These subjects are sometimes referred to as facilitating subjects.

Subjects that can be viewed as facilitating subjects are:

- Mathematics and Further Mathematics
- English Literature
- Physics
- Biology

- Chemistry
- Geography
- History
- Languages (Classical and Modern)

**You don't necessarily need to have studied three facilitating subjects at A-level. Some courses require one or two facilitating subjects, whilst for other courses there are no specific subject requirements.**

**If you don't know what you want to study then it's a really good rule of thumb that taking two facilitating subjects will keep a wide range of degree courses open to you.**

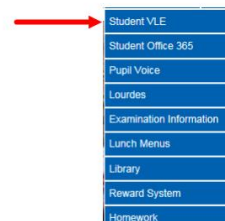

### VLE

On the KS3 area of the VLE are support materials, the first of the support materials is an interactive booklet and requires students to log on using their school log on, and a password of 'password' until changed, the second of which provides summary/revision sheets for the appropriate topics.

1. Click on either of these two tabs on the school website.

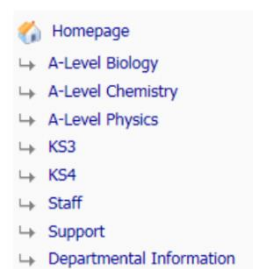

2. Scroll down and click on Student VLE:

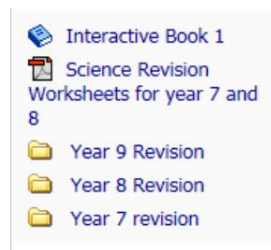

3. Scroll down to Science

4. Click on the subject area that you would like to explore.

5. The KS3 area has two large resources supporting the whole of Y7 and Y8.

The interactive book requires a log in which is the same as students' email address (Year of start at SJF, first 5 surname letters, initial – e.g. 09TanneR), with password set as password until changed. There have been some technical issues with some PC software issues for this resource, so if there are any problems do use the 2<sup>nd</sup> resource.

The Science revision sheets **do not** require a login, and can be printed out, with the answers at the end of the resource.

6. The GCSE area is now divided in to:

- Dual Science
- GCSE Physics
- GCSE Biology
- GCSE Chemistry
- GCSE Astronomy
- ISA

7. From here you can access the material relevant to the area of study, as well as the link to Kerboodle (for Y9, Y10 and Y11)

To log on:

**Username:** Initial followed by surname (e.g. rtannersmith)

**Password:** Initial followed by surname again (you will be prompted to change this once logged on).

**Centre no:** qjq1 (QJQ1 –in lower case)

### Revision Apps

In this day of portable devices, you may like to explore the following revision applications:

Test and Learn Science GCSE AQA.

AQA Core Science GCSE textbook.

### Getrevising.co.uk

Make an exam revision timetable

Install exam dates

Exam board, unit and topics

How many hours wanting to be dedicated

Links to exam board specific revision materials such as flash cards and mind maps.

We have had very positive responses from those pupils and parents who have utilised this resource thus far.
