St John Fisher Catholic High School

Newsletter 19  8 July 2016

Dear Parent / Carer,

The last couple of weeks have been the busiest of the year for visits and trips. Amongst others, we had Year 8 students at Ford Castle, a trip to Sorrento, a trip to Iceland, a trip to Brussels, visits to Oxford and Cambridge, and the Lourdes Pilgrimage. This week we have the performance of Bugsy Malone. We also have the Year 8 trip to the Somme coming up as well as Salamanca and the Ardeche.

I would like to thank parents for their support; and the staff for giving up their time to take these trips and visits. I am sure that the students involved gain a great deal from the variety of experiences.

This week we also welcomed the new Year 7 students on their transition days. We are looking forward to starting work with the next cohort of students, and settling them into the school routines.

Great Yorkshire Show

You will be aware that the whole school visits the show on 12 July 2016. As all year groups attend the show there is limited provision back in school. If you have not yet done so, can you make arrangements for your child to purchase a ticket which is now £10, deadline for payment is Friday 8 July, 1pm. Please ask your child to take the payment to Mrs Ball in the Goldfish Bowl as it has now been taken off ParentPay.

Buses

Our Transport page is getting longer and longer. Remember, you have to contact the operator for a pass on services from September 2016. Can I encourage you to make arrangements before the end of term as the bus companies are now responsible for collecting payment and issuing passes to students. Please see our transport page for further information. A separate letter is attached to this newsletter.

Finally, I would like to encourage you to continue to read these e-bulletins and have a browse on our website to see what is occurring in and around school (especially over the last two weeks). We are lucky to have so much happening and always want your children to take up as many opportunities as possible.

Yours sincerely,

Mr R A Pritchard
Dear Parent/Guardian

**Update on Proposed Bus Routes for St Aidan’s and St John Fisher Students – September 2016**

St Aidan’s and St John Fisher are continuing to work closely with the bus companies to ensure that our students are able to access both schools from September 2016. Since our last communication with parents and guardians there have been a number of changes which are listed below:

- Leeds routes have changed their payment method. Previously parents/guardians paid for their children’s passes through Generation M. As of 2016 payment for passes will be made directly through the individual bus company.
- The changes in West Yorkshire were only agreed on 1st June 2016 and we are constantly making changes to our website as the bus companies make changes to their timetables to accommodate as many of our students as they can. The companies bringing students in from West Yorkshire are A & A, Connexions and Tetleys.
- A & A, Abbotts, Atkinsons, Connexions, Stephensons and Tower who are covering our North Yorkshire Routes are also making changes to try and accommodate as many stops as they can. Again our website is constantly being updated to accommodate these changes.

[www.staidans.co.uk/transport][1]  [sjch.org.uk/information/transport/][2]

As the bus routes are no longer subsidised by the local authority the bus companies are taking on the risk of the proposed routes and they will not be able to run them if they are not sustainable.

The bus companies that St. Aidan’s and St John Fisher have been in talks with will guarantee that:

1. They drop off and pick up from the school sites.
2. Guarantee a place on the school bus so long as the student has signed up for a pass.
3. Been accommodating in trying to respond to the parents’ requests for extra stops.
4. Taken on new routes that would otherwise have been withdrawn.
5. Regular drivers so that they get to know the students.
6. Able to respond to early picks ups at the end of term or should school encounter a problem on site that prevents its operation.

Therefore please may we ask that if you intend to send your child or children to school by the designated bus companies that you sign up for a bus pass as soon as possible.

We would point out that the contract will be between parents and the bus company providing the service and will not involve St Aidan’s or St John Fisher in any way.

Thank you for your patience and understanding in this difficult situation.

Yours faithfully

John Wood

Bus Routes - 2016 to 2017
Could parents who have not registered their child on the school buses for September 2016, please do so soon and not leave it too late. This is so that bus companies know what the uptake is. Both North Yorkshire and West Yorkshire routes are on our website under Transport with additional information - parents are to pay the bus companies directly for the new academic year. Please continue to check the website for any updates to routes, etc.

English School’s National Track and Field Cup Final
The Junior Boys represented the School at the National Finals on Saturday – the only school from the North East of England region to qualify. This is the first time the school has managed to achieve this with a Junior Boys team although we have previously had a Junior Girls team and an Intermediate Boys team achieve this feat. Having won the Area round and then the County round of this competition Fishers were up against some of the strongest Athletics schools in the country. Despite 2 of our top athletes not being available the team still managed to achieve an excellent 11th place finish. The team did particularly well on the track with 8 personal bests:

Ollie Kay 13.6 (100m), Callum Tatterton 28.3(200m), Ciaran James 2.31 and Freddie Brown 3.00 (both 800m), Joe Gosling 5.10 and James Keelan-Edwards 5.15 (both 1500m), Moses Beeson 13.5 and Jacob Millar 13.6 (both Hurdles)

In the Field Events Moses Beeson achieved a personal best in the High Jump – 1.44 and George Fuller 32.09 in the Javelin.

Despite the talent on show the St John Fisher boys gave a good account of themselves and can be proud of their fantastic achievement. The team were:
Paddy Tolan, Ollie Kay, Jacob Anderson Codman, Callum Tatterton, Matt Taylor, Will Taylor, Freddie Brown, Ciaran James, Joe Gosling, James-Keelan Edwards, Moses Beeson, Jacob Millar, George Fuller, Nicolas Garcia Martin
Well done boys!

Billy Elliot
Ex Billy Elliot star Leyton Williams (of Bad Education, Matthew Bourne's Lord of the Flies, Hairspray UK tour) is visiting our school to work with our pupils on Monday 11th and Tuesday 12th July. On Monday he will be delivering an all day workshop for Billy Elliot cast members and on the Tuesday he will deliver a contemporary and commercial dance day for GCSE and A-Level dance students only. We are extremely lucky to welcome Leyton to our school. Pictures to follow!

Harrogate International Festivals 50th Anniversary Ball
I wonder if I might be able to interest you in the Harrogate International Festivals 50th Anniversary Ball. Please advertisement below re: details about the Ball. As you may be aware, this is the festivals 50th year and a huge amount of work is being put into raising £1 million this year to secure the future of the festival and continue to bring international artists to Harrogate. This is of course alongside all of the work the festivals do with young people, schools and those who would otherwise be unable to access the arts and literature.

As Premier Partners of the festival it would be great to see some representation from St John Fisher and it promises to be an amazing night. If you've not been to a reception in the Royal Hall before, it really is amazing and will be even better now that the Gypsy Queens have been announced as the main act.

If you are interested, please could you contact me via the email address below and I'll get a table (s) together.

Pupil Illness
Can we please remind all parents not to arrange to collect their children on the grounds of ill health unless asked to do so by a member of staff.

Pupils are not permitted to carry any medication and expressly forbidden from sharing medication amongst themselves. Any required medication, apart from personal inhalers and epi-pens, should be handed in to the medical room and the appropriate consent forms for administration completed by parents. The school can then administer the medication and keep appropriate records.

St John Fisher PTA News
The St John Fisher Samba! Soccer! Summer Ball was a great success, we do not yet know how much we have made as we have still to pay final bills, hopefully by the next parents’ newsletter we will know the final amount. It will also be posted on the St John Fisher website along with photos taken at the Ball. I would like to say a big thank you to all who were involved in the organisation of the Ball, SJF staff, the Band, the Dancers, the staff at the Pavilions, parents who attended the Ball and/or donated raffle prizes – please see the list below of the winners of the raffle.
Well done everybody.

News from the Science Desk – July 2016 – Summer Term

Please be aware that links to revision resources and how to log on to Kerboodle will be activated on this document to save the repeating of the instructions and information.

Year 7
Year seven have now completed their end of year tests. The results of this in conjunction with their end of unit tests will allow us to set year eight classes as balanced mixed sets of all ranges. I hope that year seven have enjoyed their year in Science, and continue to do so as they encounter the classification and variation topic, which will give them opportunities to further their studies outside.

Year 8
The end of year test took place on the 7th/8th July depending on groupings. This will allow us to determine their progress over the whole of KS3. Initial streaming in Year 9 will be guided by progress across the year and performance in the end of year test, as well as performance in the end of unit tests that they have sat. Setting will be reviewed across, and at the end of Year 9. Most of those pupils, who undertake Separate Sciences, are likely to come from the two top sets in each half of the year.

We are currently looking into a Micro Biology project which will commence next year, for those pupils who are particularly interested in this aspect of Science

Year 9
All pupils had their end of year Biology test on Monday 27th June, Chemistry on Wednesday 29th June or Thursday 30th depending on which side of the year they are on. The Physics test was on Monday the 4th July. Pupils who miss any of these will sit these before the end of the term to help ensure that they are suitably set in to Year ten.

There are now further resources available for this new 9-1 graded GCSE on Kerboodle, though I have left access to the ‘old’ specification material until such time as there is a complete suite of resources available for the new GCSE.

Year 10
Most Year 10 pupils have completed one ISA this half-term in lessons which will constitute 25% of their final grade in Core Science, or Biology, Chemistry or Physics. We will endeavour to ensure that pupils who have missed any lessons will be given the chance to complete the appropriate ISA in between trips etc., at lunch times. As Year 10 will be on their work experience by the time the next e-bulletin is issued, may I wish the year group every success on their work experience, and an enjoyable summer break thereafter.

Year 11
I wish every pupil good luck in their examinations and hope that they will gain the grades that their hard work and dedication deserves.

Those that took up the opportunity of the Separate Science text books may now return these and collect their deposits, as long as the books returned are in a suitable condition, which I am sure will find its way to the parents.
