

# School bus service S32

The **S32** will be your new bus to school in September replacing the current 786 and 787. We'll pick you up from **Jennyfield** and **Bilton** and get you to **St John Fisher** and **St Aidan's schools**.

To save you money we're introducing **new term** and **12 month tickets**. These new tickets won't only get you to and from school, you'll be able to take the bus whenever you like across Harrogate and Knaresborough, so you can go and see you mates at the weekend or head to the cinema in the holidays.

The new prices are:

<b>£1.80</b> single	buy on bus
<b>£2.70</b> day return	
<b>£13</b> 7 day Harrogate local	buy on bus valid all day, every day in the Harrogate area only, not Knaresborough
