Dear Parent/Carer

Tuesday 13th June 2017

RE: International Day

As part of the ongoing Humanities and PSHCE curriculum at St John Fisher, Year 7 students will be taking part in an interactive workshop called, Stand for it? The aim of the presentation and workshop which will take place in the main hall on Thursday 6th July (Period 1 & Period 2), is to sensitively explore the issues of extremism, radicalisation and community cohesion. The interactive workshop is being performed by Saltmine Trust Theatre Productions who aim to tackle these controversial issues in an engaging, respectful and thought provoking way.

During period three, students will work in groups alongside teachers from St John Fisher to reflect on the workshop, and complete a series of activities.

There is no cost for this experience. Students are expected to come to school in their uniform and will resume their usual timetable for periods 4 & 5.

Thank you for allowing the students to engage with these important issues in a safe environment and that you will discuss with them what insight they have gained as a result of the workshop. If you have any questions or concerns please feel free to contact one of us.

Yours sincerely

Mr Darren Heaton
Head of Geography
