Dear Parent/Carer

We would like to thank you and your children for your support for our school and its mission and values. Our recent Section 48 inspection, which reports on the Catholic Life, RE Teaching and Collective Worship within the school has now been published and we have been judged to be a 'Good' school. Inspectors overall view is that 'St John Fisher Catholic High School is a good and caring school with strong leadership, highly effective pastoral systems and gospel values central to its being.'

The report, which can be found on our school website, outlines many further strengths of the school, and also highlights key areas for development. Governors and leaders within the school are supportive of these improvements and there are plans in place to effectively address those recommendations in order to achieve our 'clearly defined vision for an aspirational place of learning with Christian values at its heart.'

Thank you for your support for our school.
