May 2016

Dear Parent

Year 10 Sex and Relationships Education

I am writing to let you know that in order to fulfil our statutory responsibility to our students all Year 10 pupils will have a Sex and Relationships Education session on the 6th June.

The session will cover the consequences of sexual activity, both emotional and physical, as well as considering a range of scenarios. The students will have the opportunity to discuss the scenarios in small groups to consider the risks and possible consequences in order that they can develop strategies that will help to keep them safe.

The students will also be allowed to ask questions anonymously via a Question Box, as well as being told where they can go for further advice.

I would like to take this opportunity to assure you that the session is in support of the ethos of the school and has been approved by the Governors.

If you do not wish your son/daughter to participate in the session then please get in touch.

Thank you in anticipation of your support with this.

Kind regards

E Wooldridge
