

13 January 2021

Dear Student

I hope that you are well and keeping yourself safe during these difficult times.

I want to let you know that the Sixth Form team is here to support you. If there are any concerns that you have, either personally with health or mental health, or with work or technology it is vital that you let your Senior Tutor know.

A member of staff from the Sixth Form team will be in contact with you this half term to have a conversation with you to ensure that you are safe, well and engaging in remote learning.

I would also like to reinforce the message of engaging, not just with your teachers in terms of lesson content but it is equally as important to engage with your Senior Tutors. Please reply to messages that your Senior Tutor sends in Teams and respond to them so that they know that you are OK and can provide any further help and support where it is needed. It is really important that this channel of communication is open between yourself and your Senior Tutor so that we can be alerted to any issues that you may have.

If you have any problems in accessing Teams please contact the Sixth Form office by sending an email to 6thform@sjfchs.org.uk

We wish you well in this challenging time: please remember that the Sixth Form team is here to support you.

Best wishes

Mrs A Joy
Deputy Director of Sixth Form
