13th May 2021

Dear Parent/Carer

Covid Update

We have been informed that from Monday 17th May, in line with step 3 of the government roadmap, face coverings will no longer be recommended by the Department for Education for students in classrooms or communal areas in all schools and FE providers. Face coverings will also no longer be recommended for staff in classrooms.

However, the DfE continue to recommend that face covering should be worn by staff and visitors in situations outside of classrooms where social distancing is not possible (for example, when moving around in corridors and communal areas).

In all schools and FE providers, the DfE may advise the reintroduction of face coverings for students or staff for a temporary period in response to localized outbreaks, including variants of concern.

We will continue to implement the safety measures outlined in our school Covid-19 risk assessment. Please could I take this opportunity to remind you of the importance of the following:

- Visitors are not permitted onto the school site, the only exception being a scheduled appointment with a member of staff
- Parents should not enter reception when collecting students but should meet their child outside of the reception area
- We are not able to accept any goods into reception whether they be items that students have forgotten or gifts of any description for members of staff.

We thank you for your on-going support.

Yours sincerely

Mrs Lydon
Business Manager
