Dear Parent / Carer

We have recently been informed by Abbots of Leeming, that the Route 4 service will terminate as of July 23rd 2021. We understand that many of the parents and students who are affected by the cancellation of this route will be concerned for future transport to school and indeed we share this concern.

In the hope of an alternative contractor coming forward, we have contacted the bus companies who currently run services to school, providing them with details of the Route 4 journey and numbers of students likely to travel in 2021/22.

We are sure you will understand that both schools would hope that another contractor may pick up this route, although we are mindful that this is a commercial service and the schools will not be party to the contracts that would be established between parents and the bus company concerned.

We will keep you updated in due course of any further developments. If you have any further questions, please do not hesitate to contact us through the following e-mail address: office@sjfchs.org.uk

Yours sincerely

Mr S Mort
