

May 2021

Dear Students,

We hope that the recent assessment period went well and you are looking forward to joining the Associated Sixth Form. You will shortly receive further communication informing you of our induction events. These will be on **Friday 25 June** for students who have been in Year 11 at St Aidan's or St John Fisher and **Tuesday 29 June** for those of you who are new our schools; we are looking forward to welcoming you.

We know that many of you are keen to begin some study, which will help you to adapt to your Sixth Form courses, and we are pleased to confirm that from **7 June** transition work for each subject will be available on our schools' websites. If you have already accessed this then do not worry but do remember to check again after that date as some amendments may have taken place. Please can you also ensure that you revisit the transition work on or after **25 June**, as additional tasks will have been added in some subjects where course leaders have phased the material to ensure that you are not disadvantaged by learning lost due to disruption in Years 10 and 11.

Transition work is a very important part of preparation for your Sixth Form courses and will help you to ensure your course choice is correct and support your understanding as you begin your Sixth Form studies. This work should be handed to your subject teachers in your first lesson in September.

We hope that you find this a helpful introduction to your Sixth Form career.

Yours sincerely,

Mr C Kidman
Director of Sixth Form
St Aidan's

Mr J Sharpe
Director of Sixth Form
St John Fisher
